

4. The Dessert Board Game

(5.-6.kl)

Rules of the game:

Use a die (terning) to play and a piece of paper.

When you stop at a food item, for example  you have 15 seconds to say everything about that food item (the donut for example: it is a round bread with a hole in it. It is pink and brown and it tastes sweet. You can have sprinkles on them)

When you stop at "Pull a Card", then pull a card from the card pile (bunke) and do what it says.
