I came home from school. I opened the fridge and someone ate my piece of chocolate cake. I cried for a long time.

I heard a sound coming from kitchen. "BUM!"
It was a loud noise at night. I am shaking right now.

My friend once asked me: "do you like tomatoes?" I said "yes."
He said "tomatoes are fruits."
I was like "whaaaaat?"

I came home from school. I opened the fridge and someone ate my piece of chocolate cake. I yelled and slammed the door of the fridge.

Today, I got a new puppy! The puppy is black and brown. It was the best feeling in the world!
