

Lyt efter konsonanten

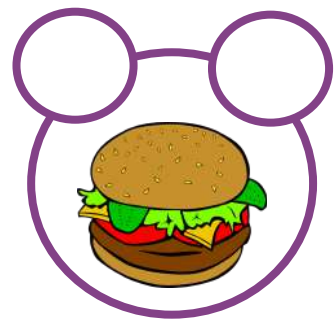

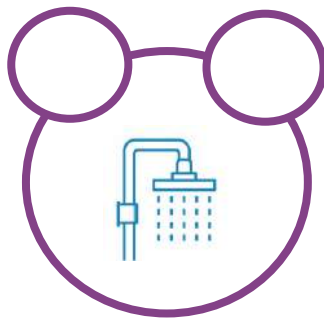

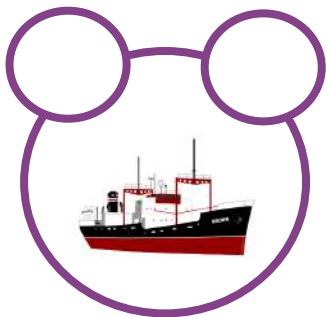

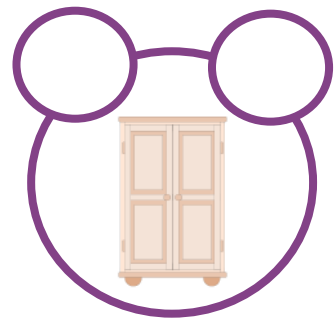

Navn: _____

Klasse: _____

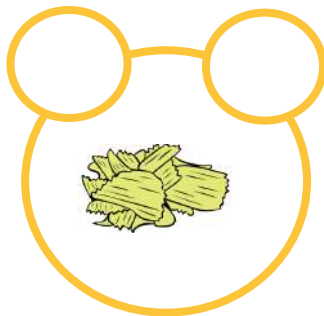

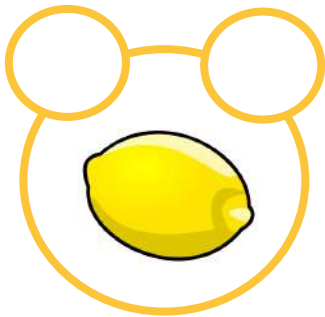

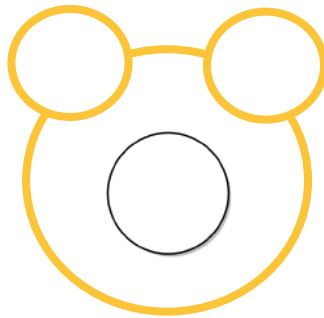

Lyt efter konsonanten **b**

I dette hæfte skal du finde en bestemt konsonant i ordet.
Sig højt hvad der er på billedet og lyt efter konsonanten.
Lyt efter om vokalen er først eller sidst i ordet. Sæt kryds.

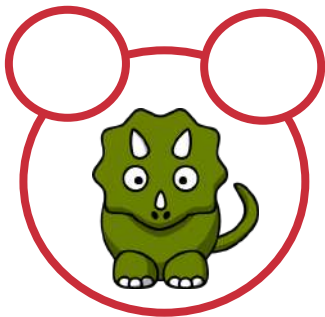

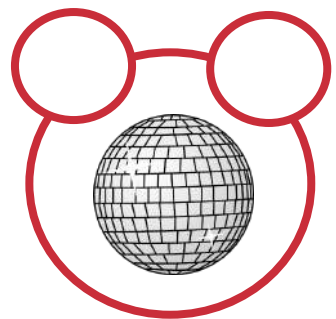

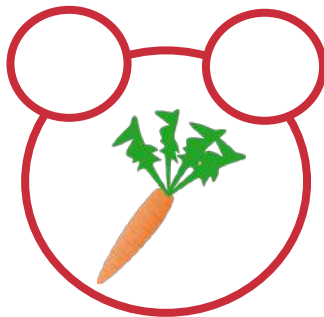

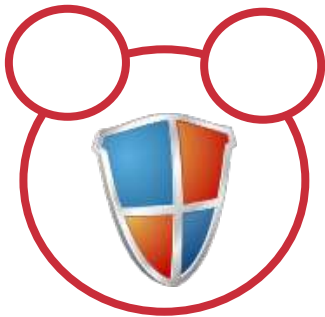

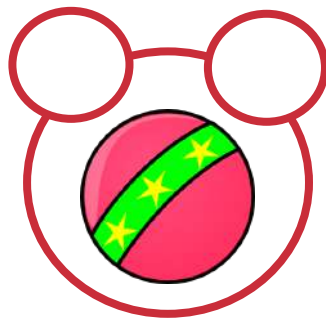

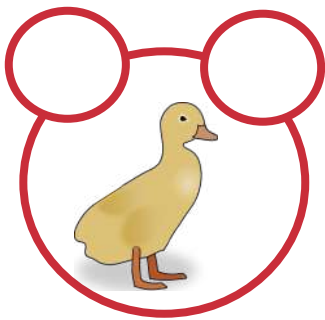

Lyt efter konsonanten c

Når man skal lytte efter et bestemt bogstav, er det en god idé at sige ordet højt for sig selv. På den måde bliver det lidt nemmere, at høre hvor i ordet bogstavet hører til.

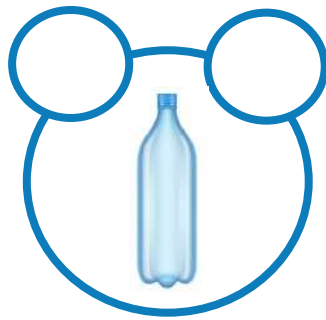

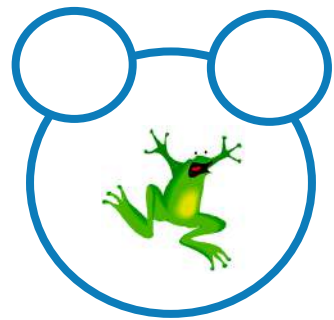

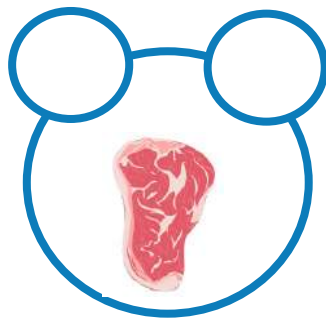

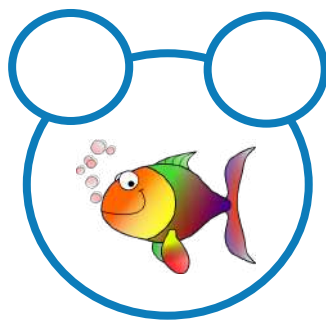

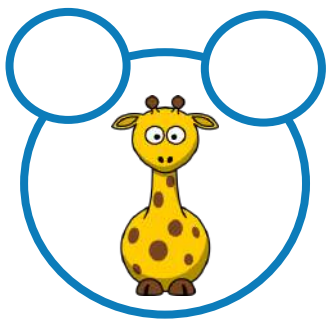

Lyt efter konsonanten d

Det fjerde bogstav i alfabetet er "d". "D" kan både lyde hårdt og meget blødt. Prøv at sige ordene "and" og "dukke", og lyt til forskellen på de to "d"-lyde.

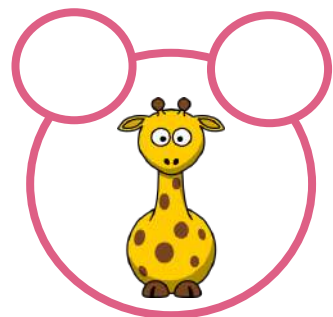

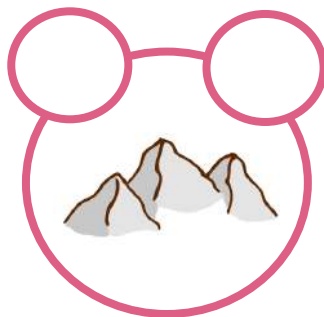

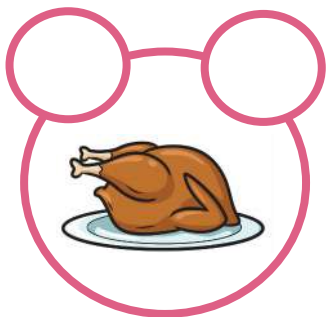

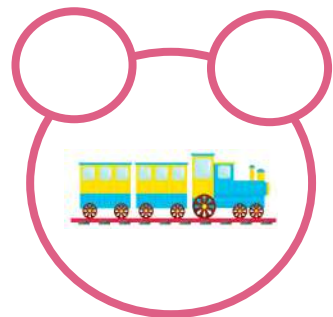

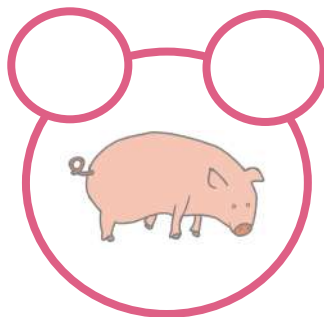

Lyt efter konsonanten f

Mange mennesker dyrker sport i deres fritid. En af de største sportsgrene i Danmark er håndbold, men der er også nogle som dyrker golf. I golf handler det om at få en lille bold i et hul på så få slag som muligt.

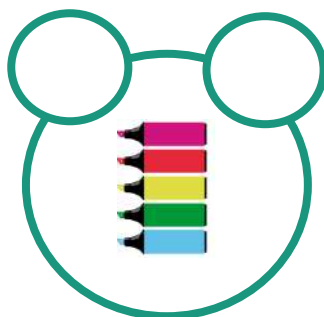

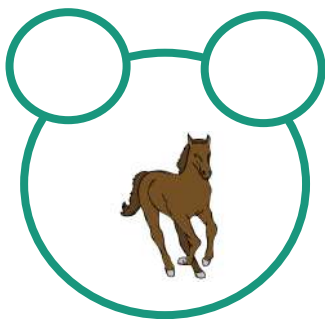

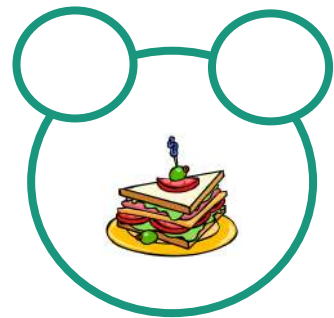

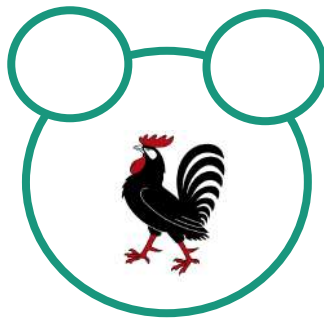

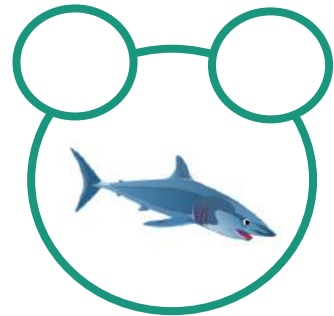

Lyt efter konsonanten g

Vidste du, at man ikke kan have et ord kun med konsonanter? Det er virkelig svært at udtale mange konsonanter efter hinanden. Derfor har man brug for vokalerne, til at bryde det lidt op.

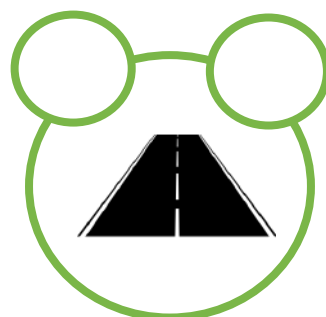

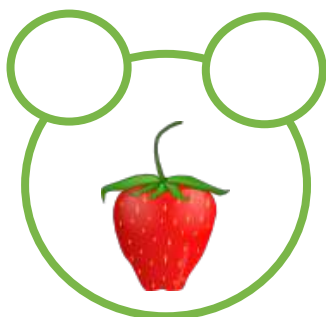

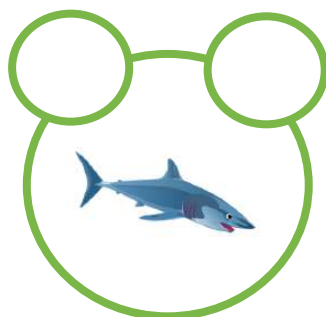

Lyt efter konsonanten **h**

Der findes rigtig mange forskellige heste. Nogle er næsten så store som et næsehorn, mens andre er så små som store hunde. På Island har de en helt speciel hesterace, som kan løbe i fem forskellige hastigheder og gangmønstre.

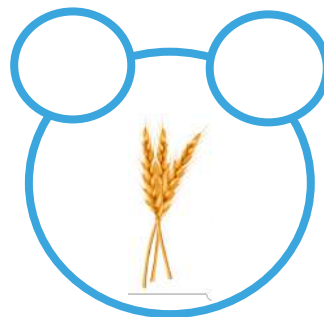

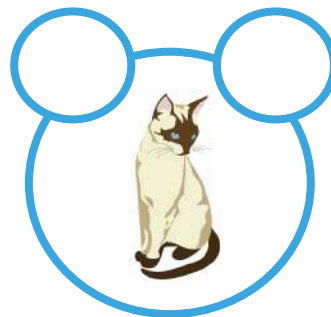

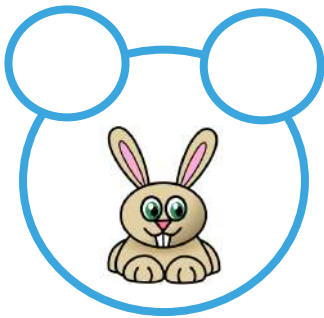

Lyt efter konsonanten j

Om sommeren dyrker vi jordbær i Danmark. Nogle steder kan man plukke dem direkte fra planterne, så jordbærene er helt friske. Har du prøvet at plukke jordbær direkte fra planten?

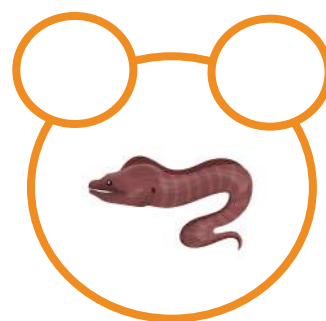

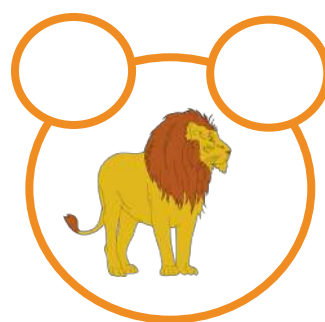

Lyt efter konsonanten **k**

Om vinteren skal man skifte de dæk man har på bilen. Der findes både sommer og vinterdæk. Vinterdæk er bedre til at gribe fat på vejene, når det bliver koldt og glat.

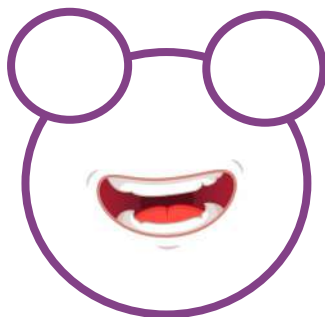

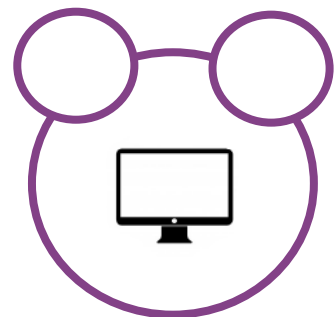

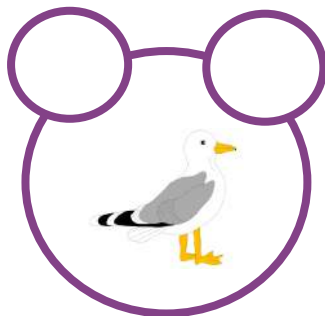

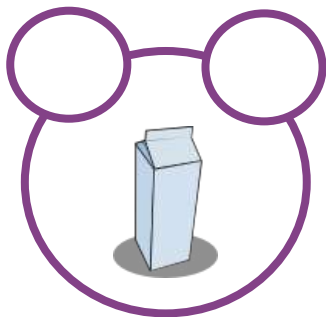

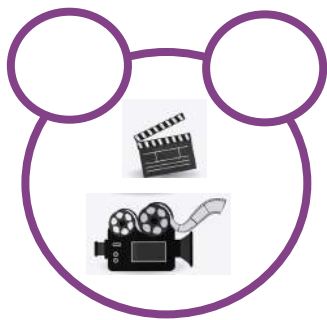

Lyt efter konsonanten l

Løverne er nogle af de mest majestætiske dyr på savannen. Der findes også en film der hedder Løvernes Konge, som handler om en løveunge, der skal være konge. Har du set Løvernes Konge?

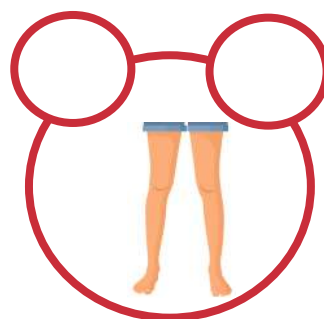

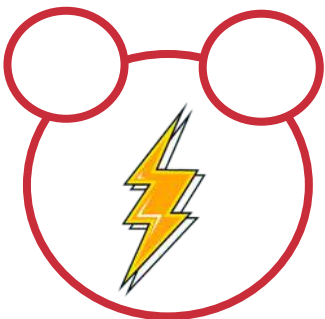

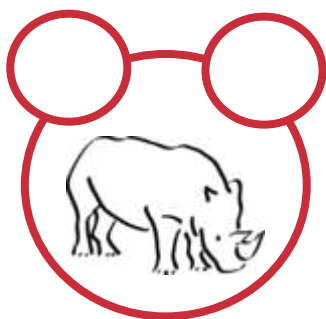

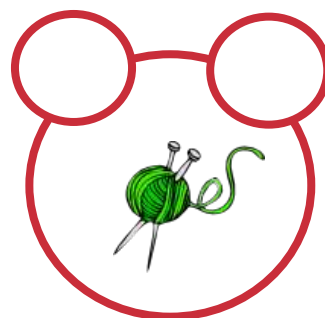

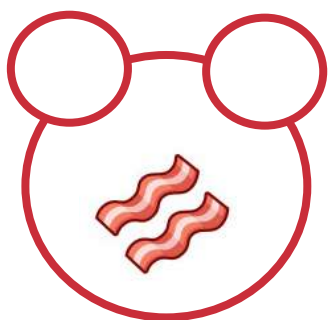

Lyt efter konsonanten **m**

"M" er det trettende bogstav i alfabetet. Der er mange ord der starter med "m", f.eks. musik, meter, munk, musivit, maleri, mange og mælkekarton.

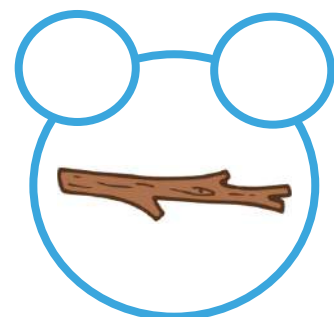

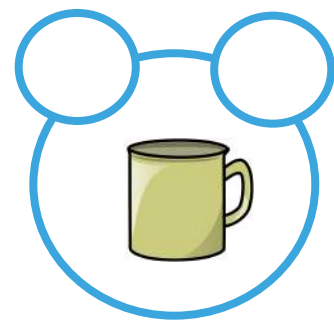

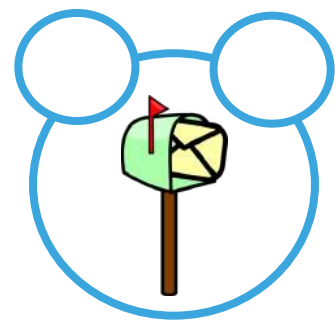

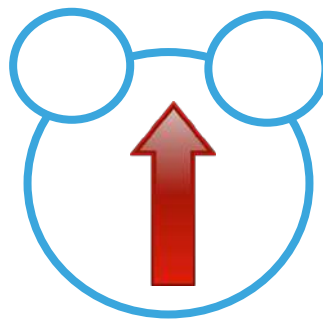

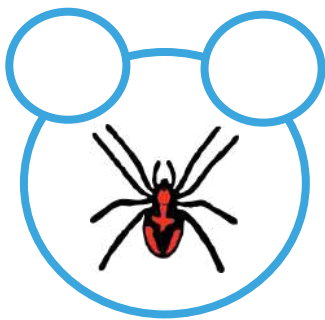

Lyt efter konsonanten **n**

I gamle dage skulle alt tøj laves i hånden. Dengang havde man hverken damp eller elektrisitet, så man måtte lave det hele med nål og tråd.

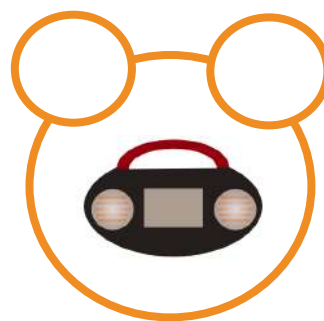

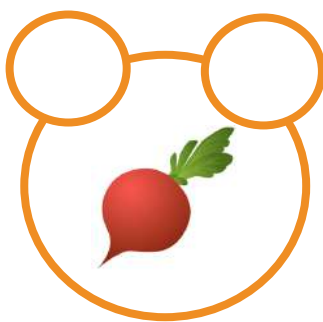

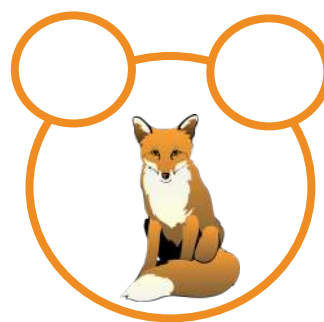

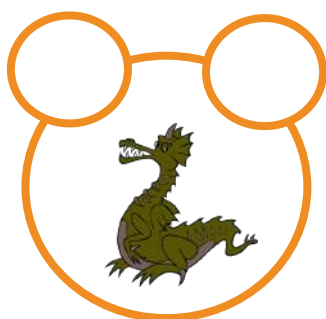

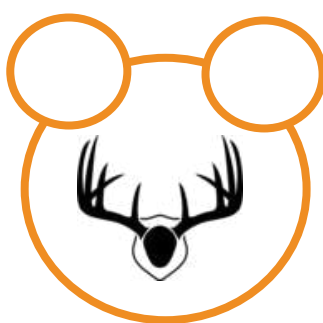

Lyt efter konsonanten p

Når man skal ud at rejse, er det vigtigt man husker sit pas. Hvis man glemmer sit pas, kan man nemlig ikke bliver lukket ind i et andet land.
Har du prøvet at glemme dit pas?

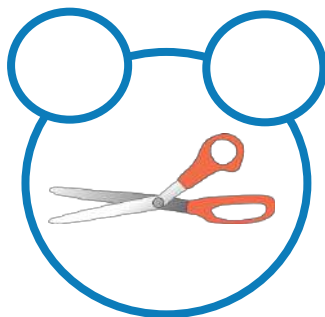

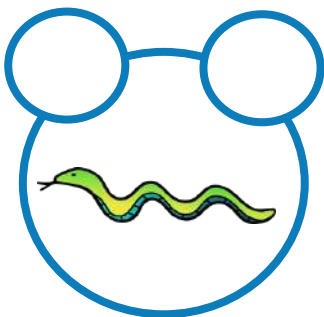

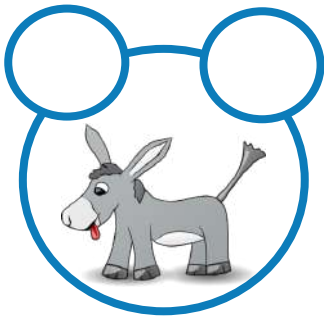

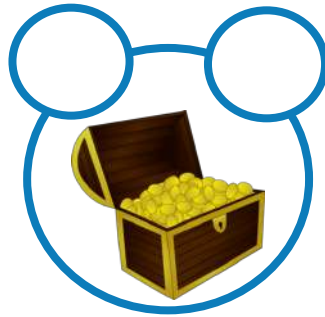

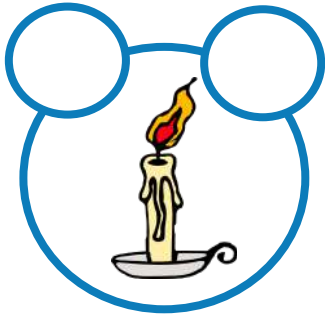

Lyt efter konsonanten **r**
