Plus

$$\begin{array}{ccc} \text{apple tree} & \text{apple tree} & \\ \text{apple tree} & & \end{array} + \begin{array}{cc} \text{apple tree} & \text{apple tree} \end{array} = \underline{\underline{5}}$$

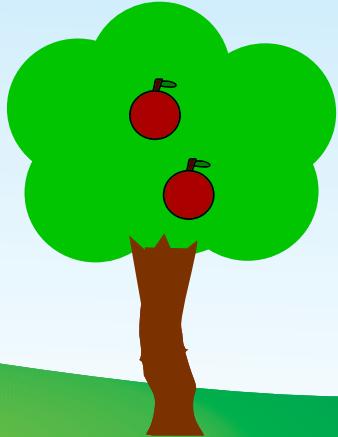

$$\begin{array}{ccc} \text{cupcake} & \text{cupcake} & \text{cupcake} \\ \text{cupcake} & & \text{cupcake} \end{array} + \begin{array}{cc} \text{cupcake} & \text{cupcake} \end{array} = \underline{\underline{\dots}}$$

$$\begin{array}{cc} \text{bee} & \text{bee} \\ \text{bee} & \text{bee} \\ \text{bee} & \text{bee} \end{array} + \begin{array}{cc} \text{bee} & \text{bee} \end{array} = \underline{\underline{\dots}}$$

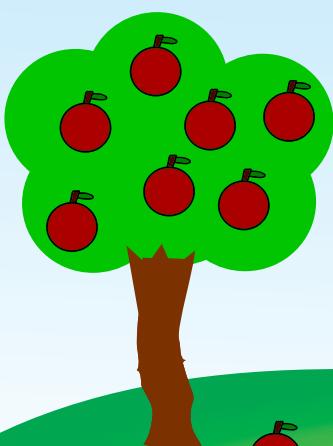

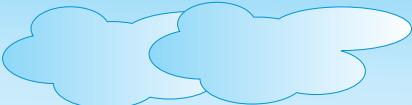

Minus

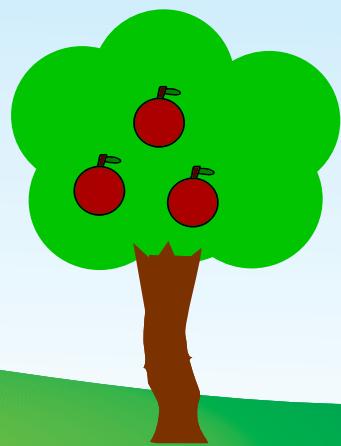

4 æbler var på et træ
2 æbler faldt af.

$$4 - 2 = \boxed{}$$

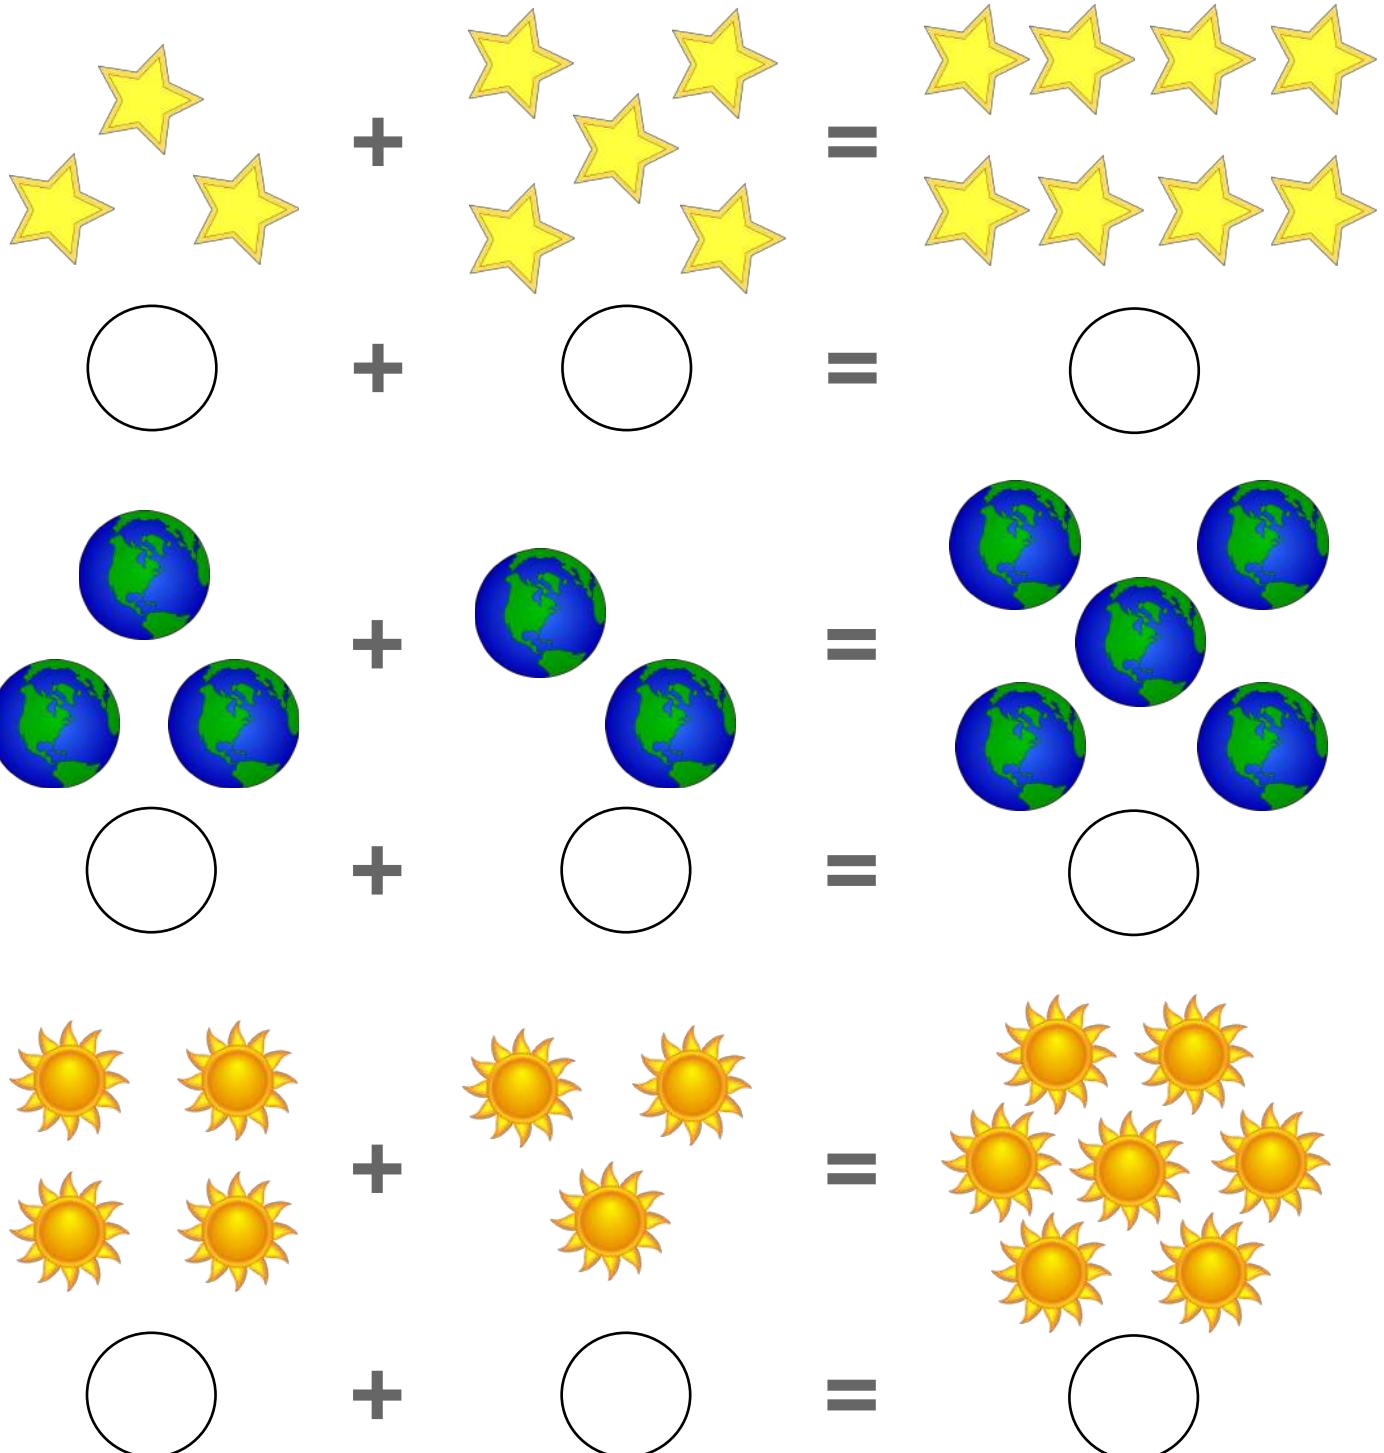

7 æbler var på et træ
2 æbler faldt af.

$$7 - 2 = \boxed{}$$

Plus

Plus

Tæl mønsterne og skriv tallet.

A yellow dashed frame contains two yellow Christmas bags, each with three 1\$ coins. A black plus sign is between them, followed by an equals sign and an empty yellow Christmas bag for the answer.

A green dashed frame contains two green Christmas bags, each with three 1\$ coins. A black plus sign is between them, followed by an equals sign and an empty green Christmas bag for the answer.

A yellow dashed frame contains two yellow Christmas bags, each with two 1\$ coins. A black plus sign is between them, followed by an equals sign and an empty yellow Christmas bag for the answer.

A green dashed frame contains two green Christmas bags, each with four 1\$ coins. A black plus sign is between them, followed by an equals sign and an empty green Christmas bag for the answer.

A yellow dashed frame contains two yellow Christmas bags, each with five 1\$ coins. A black plus sign is between them, followed by an equals sign and an empty yellow Christmas bag for the answer.

A green dashed frame contains two green Christmas bags, each with five 1\$ coins. A black plus sign is between them, followed by an equals sign and an empty green Christmas bag for the answer.

A yellow dashed frame contains two yellow Christmas bags, each with four 1\$ coins. A black plus sign is between them, followed by an equals sign and an empty yellow Christmas bag for the answer.

A green dashed frame contains two green Christmas bags, each with six 1\$ coins. A black plus sign is between them, followed by an equals sign and an empty green Christmas bag for the answer.

A yellow dashed frame contains two yellow Christmas bags, each with one 1\$ coin. A black plus sign is between them, followed by an equals sign and an empty yellow Christmas bag for the answer.

A green dashed frame contains two green Christmas bags, each with seven 1\$ coins. A black plus sign is between them, followed by an equals sign and an empty green Christmas bag for the answer.
