Mit navn: \_\_\_\_\_

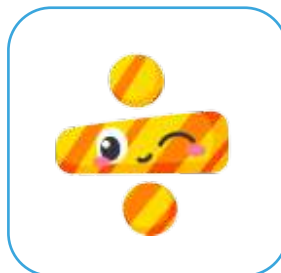

# Sprogudvikling - ord og mening

Man kan næsten sige, at matematik har sit eget sprog. Der er mange ord inden for matematik, som du må lære at kende.

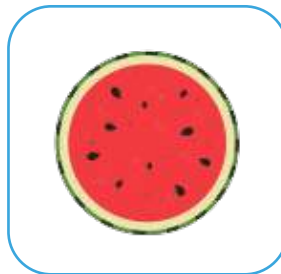

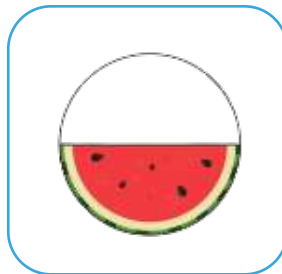

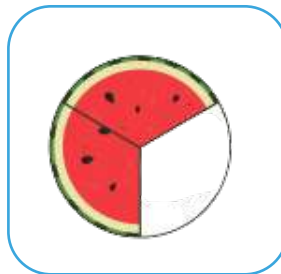

Tema:  
Matematik

Sæt kryds ved det billede, der passer til ordet.

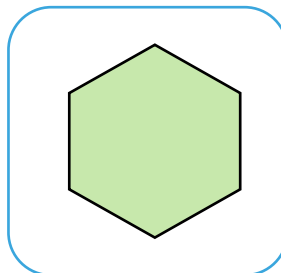

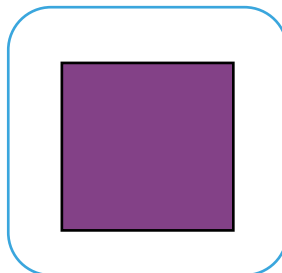

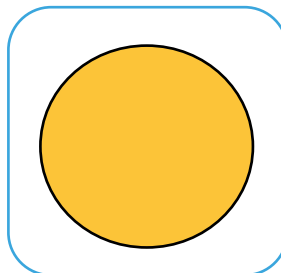

plus

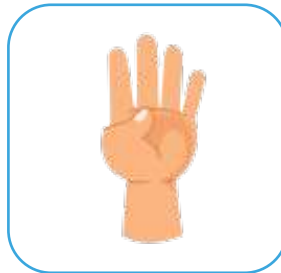

halv

cirkel

fire

lavest

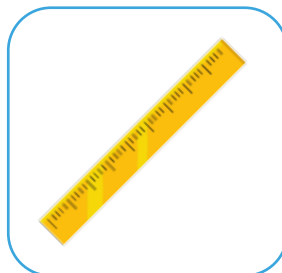

# Sprogudvikling - ord og mening

Matematik er ikke kun tal. Dog er det vigtigt at kende tallene og kunne tælle, for at forstå matematik.
