# Halloween

Halloween fejres hvert år d. 31. oktober. Mange børn klæder sig ud i uhyggelige kostumer og går rundt og siger 'slik eller ballade?'

Kig på billederne og skriv ordet.

A crossword puzzle grid with the following structure:

- A vertical column of 5 empty cells.
- A horizontal row of 5 empty cells intersecting the vertical column at the second cell from the top.
- A horizontal row of 6 empty cells intersecting the vertical column at the fourth cell from the top.
- A horizontal row of 8 empty cells intersecting the vertical column at the fifth cell from the top.
- A horizontal row of 5 empty cells intersecting the vertical column at the bottom cell.

Illustrations around the grid:

- A bat flying above the top cell of the vertical column.
- A green zombie-like character to the left of the horizontal row of 5 cells.
- A vampire character to the left of the horizontal row of 6 cells.
- A ghost to the left of the horizontal row of 8 cells.
- A mummy character below the horizontal row of 5 cells.
- A zombie head with a red arrow pointing to it from the right, positioned to the right of the bottom cell of the vertical column.

# Halloween

Til Halloween har mange en tradition med at skære græskar og sætte et lys deri. Så kan det nemlig lyse uhyggeligt op.
